

Dear Girls Inc. of Monroe County Families and Volunteers:

We have been doing everything in our power to remain open and provide this critical service to girls in our community during this uncertain time, however, the President has now advised that we not gather in groups of 10 or more. We are going to take this directive seriously for the 15-day period he introduced. Effective March 16th at 5:30 pm, our center will be closed to programming until instructed otherwise. This is a day-to-day, sometimes hour-to-hour, decision as the ever-changing COVID-19 scenario requires of us.

This is an announcement we were hoping to avoid, however, given the circumstances, we simply cannot ignore a Presidential directive. We will continue to monitor the situation and be as transparent and communicative as possible in the coming days. Please do not hesitate to reach out to gimc@girlsinc-monroe.org with any questions you have.

Thank you, as always, for your support of Girls Inc. of Monroe County.
