Girls Inc. is the spark igniting the fight for the brilliant futures they deserve. We want every girl to stand on her own two feet, express herself as she is, take risks, appreciate her body, and feel safe in the world.

Every girl needs the Girls Inc. Experience. In turn, Girls Inc. needs the financial support from our champions.

WE CAN STAND IN HER CORNER TOGETHER, SO SHE WILL WIN.

Our center that now serves Shelby, Decatur, and Rush Counties has grown significantly since its inception. We are dedicated to serving the girls in these communities for many years to come, and our growing number of girls needs increasing financial support.

**The girls in our communities are depending on
Girls Inc...and YOU!**

When you become a Champion for Girls, you invest in creating the Girls Inc. experience - an intensive, distinctive, and transformational program. By providing a whole-girl approach that is grounded in the belief that girls are born with rights and abilities, the Girls Inc. experience equips girls to navigate gender, economic, and social barriers and grow into healthy, educated, and independent adults.

Every gift in the Champions for Girls giving society will be used to help identify girls' strengths and promote a growth mindset where both achievement and the ability to learn from mistakes are celebrated. To provide the Girls Inc. experience, we must start early and stay late in a girl's life, investing in her over the long haul. It is an expensive process but our life-changing outcomes are priceless.

Your gift will help a girl make healthy choices, be motivated to graduate on time, plan for secondary education, and advocate for herself and others. Join with thousands of other philanthropists throughout the Girls Inc. movement who have invested in girls around the nation. These girls need you. We are asking you to believe in them, show them what's possible, and awaken their potential.
